### AUTO LOANS FROM THE CREDIT UNION YOU TRUST

Before you go to the dealership, come to us first! The dealership will match the rate, but you get overcharged for the car and pay too much for the warranty. Did they really match the rate?

Let us help you find the loan that will fit your needs. For more details, call us at (225) 389-3059.

**REFINANCE NOW**

If you have been wanting to save money each month on your car payment, now is the time! Trends indicate that the rates will be increasing soon. The good news is we are offering rates that will give you a big smile.

**START THE NEXT CHAPTER OF YOUR LIFE**

Buying a house is a huge step, and we can help guide you with a mortgage loan. Turn the page and start the next chapter of your life when you apply today!

**FOUR SPRING HOME MAINTENANCE PROJECTS**

The long, grueling winter months can be hard on our homes and lawns. To keep your property in tip-top shape and prepare for the warmer seasons ahead, complete the task list below:

1. Inspect your roof for cracked or loose shingles. Have them repaired right away! The last thing you want is the hot summer sun to take its toll and cause further damage.
2. Clear gutters and downspouts. Without proper drainage, your home may take on water in the lower level. Prevent this headache by cleaning out your gutters!
3. Clean your air conditioner. Over time, dust and debris can collect on your air conditioning unit and negatively impact its performance.
4. Rake the lawn. Rake up leftover leaves and branches in your yard from the autumn season before they ruin the grass.

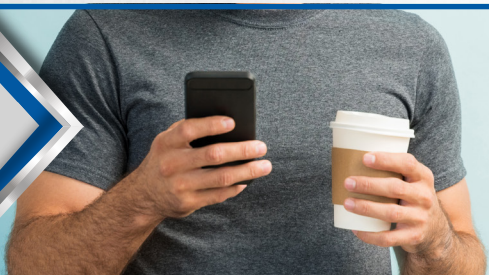

**KEEP IT SIMPLE**

We keep it simple with our credit cards! There are no cash advance fees or annual fees, so you can spend your money on what you like! Experience convenient purchasing power with Baton Rouge City Parish Employees' FCU when you apply today.
